OPSOA's SOQP program is built on a foundation of anti-oppression, anti-racism and decolonization ...

- ✓ Brings renowned provincial leaders and presenters from every corner of the province to candidate discussions;
- ✓ Provides time in small mentor groups for candidate reflection, sharing, networking and deep learning;
- ✓ Engages experienced and provincially recognized supervisory officers as mentors;
- ✓ Ensures highly interactive, engaging and thought-provoking learning discussions; and
- ✓ Builds the critical consciousness and skills necessary to take action in addressing systemic barriers,

OPSOA's SOQP provided me with the tools necessary to be an effective system thinker and leader. The rich discussions with colleagues, knowledgeable and supportive OPSOA mentors, as well as engaging guest speakers who shared their insights and experiences all contributed to making the program exceptional. The program's focus on equity, diversity, and inclusion is foundational to the work of Supervisory Officers and I am thankful for having had the opportunity to pursue this learning.
